

**In the Specification**

Please amend the specification as follows. No new matter has been added.

Please amend the Abstract paragraph at page 16, lines 3-8.

(Currently Amended) A background setting for an aquarium having front and rear walls and opposite left and right side walls. The setting comprises a water-resistant background sheet bearing a background scenery for direct submersion in the water of said the aquarium to cover said the rear wall, and a fixture for fixing the background sheet inside said the aquarium.
